WORKSHEET / TOOL 01

Your next 90 days

Type into the fields or print a copy for your next working session.

01 Days 1-30: establish the baseline

Choose the constraint. Record the starting measure and the result that would justify the next commitment.

02 Days 31-60: run the work

Describe one bounded experiment, its owner and resources. Record how you will measure behaviour and cost.

03 Days 61-90: decide the next commitment

Compare the result with your baseline and threshold. Decide whether to continue, change course or stop.
